the mountain echo

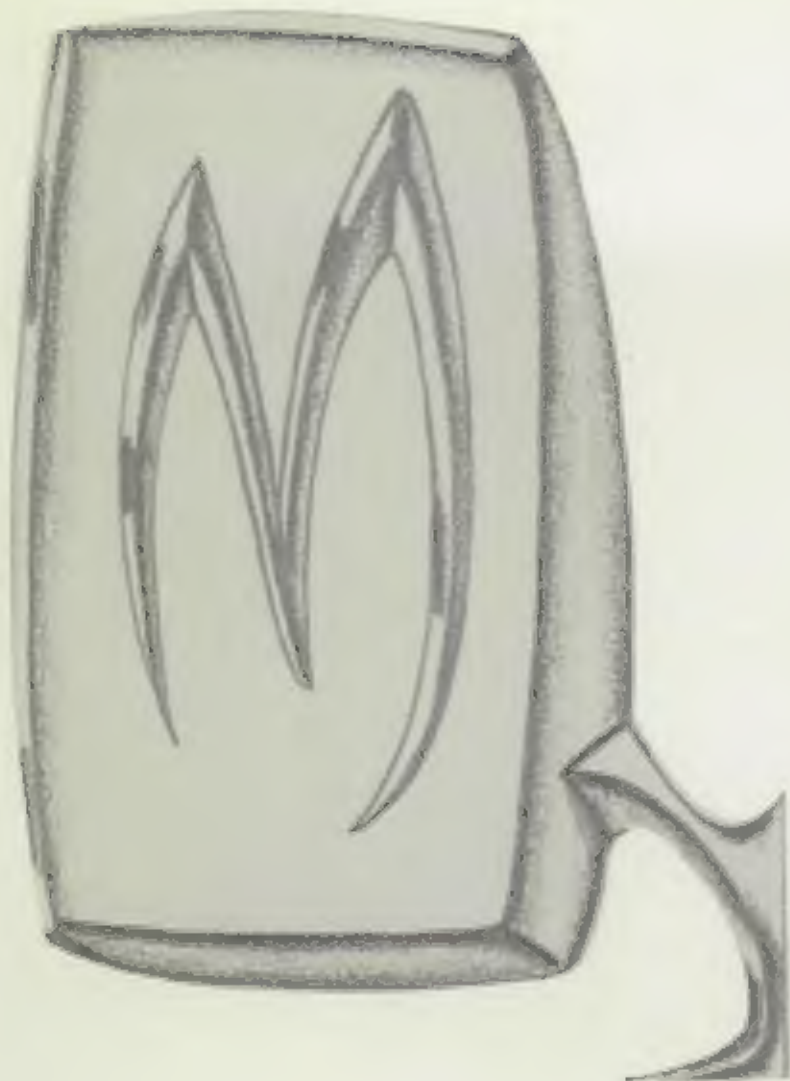

published by the
Seniors of
Blue Mountain Joint
High School

As we lift the curtain obscuring the future, we prepare our minds through books, and sometimes we need a bandage to bind our wounds.

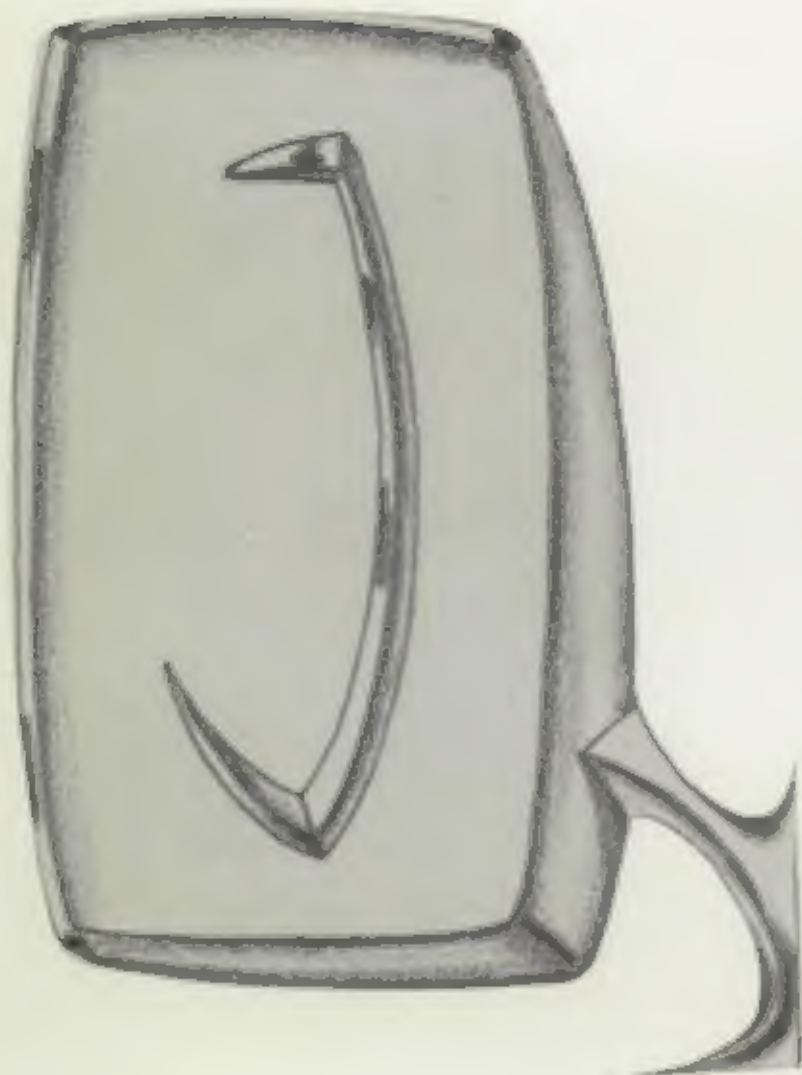

We release our limitless energy to create the mirth and melody in the band and chorus.

We progress from old to new by joining together in a spirit of harmony.

In Memoriam

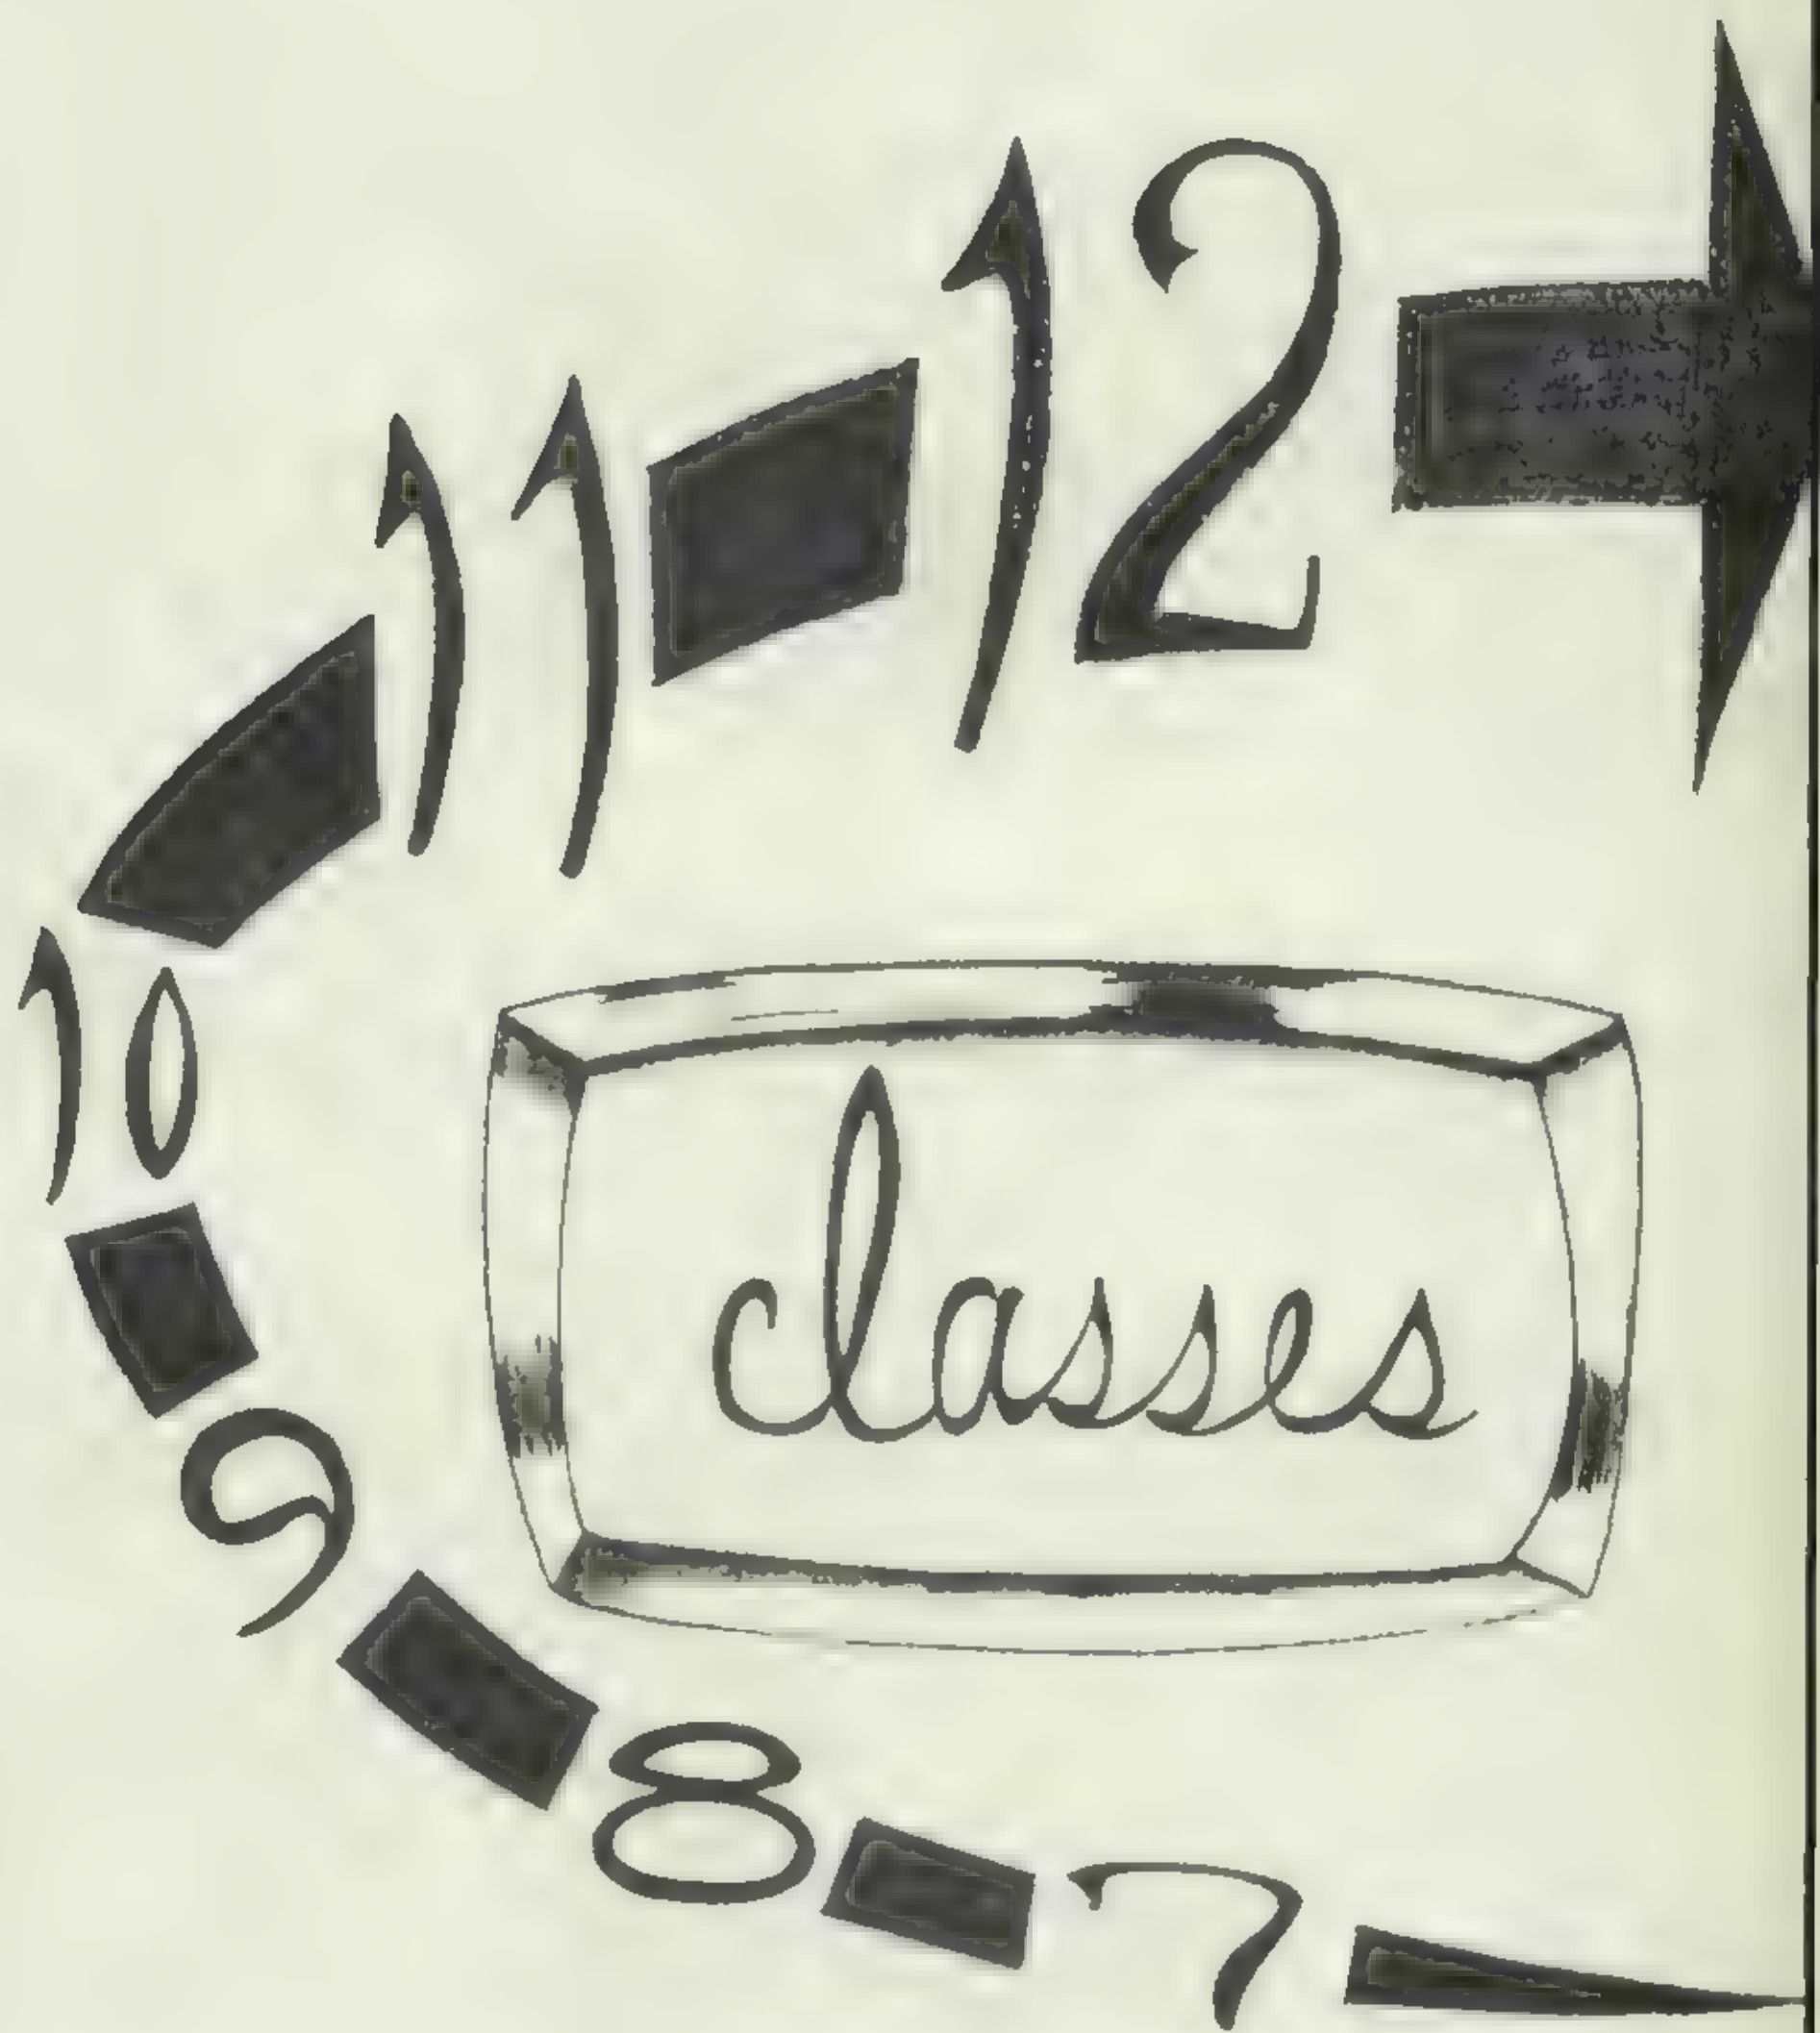

So didst thou travel on life's
common way,
In cheerful godliness; and yet
thy heart
The lowliest duties on herself
did lay.

Rhoda Schneck 1943-1956

The Class of 1961 remembers with affection Mr. Charles Beck. Mr. Beck was graduated from Cressona High School and Keystone State College at Kutztown. After teaching at Cressona High School, he became high school principal of Blue Mountain Joint High School. At the time of his death, October 11, 1960, Mr. Beck was on sick leave from this position. We would like to pay tribute to his kindness, fairness, and sincere patience in understanding the problems of young people. We, who were among those he helped and understood, salute a gallant gentleman.
